

Most people renting a limousine for their prom frequently do not realize the responsibility of the driver not only for their safety, but for the value of the vehicle, in order to provide a pleasant and secure experience, the following guidelines are setup for your protection:

1. Deposits are non-refundable. If cancellation is made prior to the date of the prom, there will be no refund of any deposit put down on the contract. If cancellation is not made at least forty five days prior to the date the vehicle is committed for, the individual who signs the contract will be liable for the entire balance of the contract in full. Cancellations over the phone are not valid. aStretchOut Limousines must receive all cancellations in writing only, at least forty five days prior to the date of service. All cancellations are only valid if made by the person whose name appears on the contract only.

2. Absolutely no alcoholic beverages or illegal drugs are to be stored or consumed in the passenger cabin or trunks of the vehicle. All of our vehicles are non-smoking vehicles. There is absolutely no smoking in any vehicles hired from aStretchOut Limousines. There will be no exceptions extended to anyone.

3. aStretchOut Limousines does not manufacture any of the limousines we rent to the public. The customers renting the vehicles are responsible for viewing the vehicles before contracting them. As the renter, you know the size of the people who will be in the vehicle. The number of passengers that will fit in a vehicle will depend on the actual size of the people traveling in them.

4. Any and all damages that may occur in the passenger cabin of the limousines will be the sole responsibility of the persons who hired the limousines and whom signs this agreement. There will be an additional charge of \$250.00 for cleaning the cabin of the vehicle, if a student becomes sick (vomits) in the cabin of the limousine.

5. Acceptable behavior is expected of all, in the passenger cabin of the vehicle. This allows the driver to concentrate on the operation of the vehicle. Standing up through the moon roof, hanging out of the windows, opening the doors while the vehicle is in motion and throwing trash out of the windows of the limousine is prohibited.

6. We allow discretionary amount of mileage on the prom night. This means you may either go into NYC after your prom or stay in the local area. If you would like to go to the Hamptons, New Jersey, or the Pocono, there will be an additional charge marked in the travel time section of the contract. This charge is separate and is not included in the total amount of this contract. If you want to do both NYC and the Poconos, you will be charged separately and accordingly. All tolls are additional to the total amount of the contract as well. Sorry, there are no exceptions. aStretchOut Limousines does not charge the client for tolls. The states of NY, NJ and PA charge tolls.

7. The balance is due in cash, certified bank check or money order only at the first pick up address. Absolutely no personal check or credit cards will be accepted on the date of service. If you wish to pay by personal check, it must be received by our office 15 days prior to the date of service. Credit Cards are not accepted as final payment at all. They may be accepted as a deposit only. There will be no exceptions for anyone on the day of service.
